### Extended Learning after school

All students are invited to participate in this program. The program will take place from Monday through Thursday of each week (3:05 p.m. to 4:30 p.m.). The program will focus on improving reading, writing, and math skills through the combined use of direct instruction from teachers, tutoring, and online educational skill development programs. Both math and a combination of reading/writing instruction will take place each day.

We will look at test scores to determine where students need the most help and individualize the instruction for each student. Students can stay one, two, three, or all four days. If you would like your child to participate, please have him/her to come to the media center after school. A snack and beverage will be provided for students.

### Lunch Menu

- Monday: Chilli
- Tuesday: Chicken tenders
- Wednesday: Baked Ziti
- Thursday: Monte Cristo Sandwich
- Friday: Pizza
