October 2021

SCIENCE FAIR PROJECT by Sage Pierre-Louis

All the science teachers of JMAM are giving their students information about the Science Fair Project. It will go through the month of October. You have a choice to either do it as a group of two people from your class or to do it alone. You and your partner will be working on it together from outside the school and team members will need to communicate and collaborate to complete the project. You can either call your team members in a group call or have a meeting place to where you want to go. Furthermore, the grade will also depend on the overall group effort, also all projects will be graded on the same rubric whether by an individual project or a team project. Don't forget to fill out your permission form and return it to school as soon as possible. Also, There's Free Science Fair Fest Held Online October 9th. Try your best!!

Important Dates

OCT 14 - End of First 9-Week Grading Period

OCT 18 - Teacher Work Day, Student Holiday

OCT 25 - Report Cards

OCT 27 - Student Early Dismissal Day

NOV 11 - HOLIDAY (Veterans Day)

NOV 22-26 - Fall Holiday/ Non Student Days

NATIONAL JUNIOR HONOR SOCIETY by Mrs. Herndon

NJHS stands for National Junior Honor Society. At Jewett Middle Academy Magnet, students are inducted in the spring of their 7th grade year. Which means students receive an invitation approximately late April during their 7th grade year. Students are invited to be members based on their scholarship (academics), service, leadership, character, and citizenship. Students should be in good standings regarding behavior and should have a minimum of 3.7 GPA.

Please congratulate the following Jewett NJHS Officers for 2021-2022

President- Bhakti Desai
Vice President- Jayda George
Secretary- Kaylee Craig
Treasurer- Haley Larbie
Lieutenant of Community Service- Kylie Catrett

JEWETT AFTER HOURS by Madison Delrico

As another year passes, we all gather back together to have some fun with each other through sports teams and clubs. Unlike the last few years, we have some new activities after school hours for the 2021-2022 school year. Some of these new additions include: Sci - Fi club, Cross County, Dance Club, and more. If you want to try to sign up for any of these fun-filled activities go see the new dean of students, Mr. Canto. Thanks for listening - see you next time!

MYP Corner

What does being an MYP school mean?

Becoming an IB World School means joining over 5,000 schools worldwide in delivering IB programmes, and becoming part of a community of educators that is growing and developing constantly. The IB's unique implementation is strengthened through our relationships with schools, governments and international organizations globally.
