The Month of December at JMAM

By Chloe Miller

Another month of school at Jewett Middle Academy. This month is not as ordinary as other months... Why you might ask, well there is a two-week break! Right when we come back from Thanksgiving break there is another. This break is for Christmas, it is not one weeklong but two weeks! December 17th is the last day of school before our time to unwind and chill. Many different students are doing different things. People might be traveling for the holidays while others are sitting back at home. If you're sitting back at home wondering what to do here are some things you can do for the Winter break!

1. Read a book
2. Watch Christmas movies and drink hot chocolate
3. Listen to Christmas music
4. Spend time with family and friends
5. Bake some goodies
