# JEWETT MIDDLE ACADEMY MAGNET

## *IB Middle Years Programme*

601 Martin Luther King, Jr. Blvd. NE, Winter Haven, FL 33881  
(863)291-5320 Phone (863)297-3029 Fax

Dear Parents,

We will hold our annual **Open House** on October 5, 2023. This year Jewett Middle Academy Magnet is a Title 1 school. We will hold two **Student Led Assessment Conference Days and Parent Education Nights** at Jewett Middle Academy Magnet this year. You may attend your conference any time between 7:30 a.m. and 6:00 p.m. on November 2, 2023, and February 8, 2024, and attend the **Parent Education Meeting at 6:15 p.m.** on the same dates.

**Your child will lead the conference.** She/He will review their assessment data with you and tell you about the progress that they have been making this year. You will see a sample of your child's work and they will explain it to you. Your child will answer your questions to show what they are learning.

Please remember:

- Student led conferences are a time to celebrate the learning that each student has achieved and taken part in this year. It is a time to let your child shine as they take you through a portfolio of their work in their core classes. They will share work samples and personal reflections on what they have learned, and how their learning can continue to thrive and grow. Let your child be in charge, ask clarifying questions; focus on their work and their growth; not simply on the grade. Give them positive feedback on how well they have prepared and what they have shown you.
- Please remember that this is a student led conference and not a teacher/parent conference. If you wish to meet with a teacher concerning your child's academic progress in a course; a conference sign up form will be available. Teachers will be more than happy to set up an appointment with you. Staff will be available to assist students and parents to ensure their experience is both positive and productive.
- Most of all, enjoy the event and the time spent with your child.
- We look forward to seeing every parent and student on this day. It is proven consistently by research that direct parent involvement has a monumental effect on a child's academic and social success. Please be sure to sign in. A **dress down pass** will be presented to all students attending with their parents.

# Student Dress Code

---

All Jewett Middle School students are required to wear standard uniform dress, according to the Dress Code set forth by the School Advisory Council. Students should dress in a manner so as not to distract from the learning process of other students.
